THE FÊTE

Again the sun shone, and again the Village Fête was a resounding success. The key to it was the avenue of stalls, almost connecting the Church Centre to the Village Hall. Many thanks to Karen Austen and the Community Market for making this possible. Also, thanks to members of the Fete Sub-Committee under the chairmanship of Bunty Waters, and particularly to Ruth Pimentel who did much of the 'spade work', which met at regular intervals from September last year, and were on duty on the Village Green for nearly eighteen hours on the day. No Bar Hill Fête is the same without the concert in the evening, organised by Mark Levitt and his colleagues who put on a superb show. When the day came to a close at midnight, the cry went up, "See you next year." We know you also enjoyed the Dog Show and the Fun Run: They'll be back next year.

Our grateful thanks to our sponsors:

**Domino Printing Sciences The Community Market

and all the wonderful helpers - THANK YOU**

The Neighbourhood Watch stall at the Village Fête generated a lot of interest, and many people were pleased that it was being promoted in the village again. Congratulations to Ella whose guess was the nearest as to where PCSO Mani had been photographed, which was in Stonefield by the footpath leading into Little Meadow.

Many roads in the village have now prospective street co-ordinators. More, however, are needed. If you are interested, please get in touch with me on (01954) 780304, or email on roger.hall90@ntlworld.com. The next meeting of Neighbourhood Watch will be in the Parish Office on 13th September at 7-30 pm.

Dear Editor

Are you aware that the Fête causes local residents to become that drunk that they lob empty bottles of alcohol at other residents' front doors in the small hours? Having spent Saturday night working hard at Tesco to ensure that alcohol was not sold to minors, I wonder whether the tales I heard of perfectly legal sales of spirits making their way over to the Fête in bucketloads of punch and being distributed freely were true? I do hope not, for the good of both the store and the Fête. However, as a resident whose house was the victim of one of the bottlings, I take a dim view of this kind of behaviour in the village.

I would be interested to hear of other residents whose Saturday night enjoyment was disrupted by the Fête. I would also like to know if there is anything that the village PSCO team or the fête organisers can do to prevent a repeat.

Yours

A Tesco Employee

Dear Editor

Thank you for giving me the right of reply to the above letter.

I am currently the chairman of the Residents' Association Committee but not of the Sub-Committee which organises the Fête. To answer your points in detail.

The evening entertainment ended at midnight and, with other members of the committee, I was on the Village Green until shortly before I am clearing away rubbish, which was at the end of a nineteen-hour day. Few people, apart from those dismantling the equipment, were on the Village Green at that time. On a Saturday evening, therefore, it is impossible for you to connect the anti-social behaviour of someone throwing a bottle of vodka at your door with the entertainment which had finished two hours before.

It does not take much for some people to get drunk. In fact many residents experience revellers returning home on any evening of the week and are disturbed by them. We have been congratulating ourselves that, partly as a result of Tesco being more vigilant but also due to the security arrangements we put in place, there was no anti-social behaviour in evidence during the evening. Where were buckets-full of alcoholic concoctions being mixed around the Fête? During both the daytime and evening, security personnel, hired by the Residents' Association, patrolled the Village Green and the police paid periodic visits. Why did you, or your informant, not report this to them or even to members of the Committee who were wearing yellow jackets? In addition, why did those spreading tales of idiotic behaviour not report these? Or was this idle gossip in the Tesco staff room?

I have spoken to the police since then, who have commented that the evening passed off uneventfully and no incidences of anti-social behaviour were reported to them. They have informed us that few other

events of this size pass almost without incident. I am disappointed that in six years you have not attended the Fête. Obviously, you do not feel part of the village community. The Fête is organised by the Residents' Association, at considerable expense, for the enjoyment of the entire village community, and I have lost count of the number of occasions people have commented how much they enjoy the day. Indeed, families arrive during the afternoon with picnics to book a place for the evening.

Your comment that the evening entertainment was a 'summer night's madness' is offensive, not only to those who work hard over several months to organise the Fête and the evening entertainment but also to those who enjoy the day and look forward to it on the first Saturday in July each year. Perhaps next year, we shall see you there.

Roger Hall

Chairman
Residents' Association

Dear Editor

I refer to the article in the July edition of the Bar Hill News written by Chris Springett with reference to the condition of the Astro facility.

I am delighted to inform Mr Springett and other Parishioners that the hard work of those that run the facility will bear fruit in the near future in that the facility will soon be refurbished. We have an issue that we are working hard to find a suitable solution which will, I hope, see the facility with a new 3G Astro turf facility and replacement to the mesh behind both goal areas, as a minimum.

Whilst I note his comments, it is nevertheless disappointing that despite the telephone numbers of the Executive Committee appearing in the Bar Hill News since the facility was built - 2003, Mr Springett has not contacted one of us to discuss this and chose the Bar Hill News as a medium to lodge his complaint. Like all Committees run by volunteers, we always seek other people to join it and so if you have a concern or you think that you can make a positive difference, then please don't complain but join the Committee and get involved in the Community.

Dear Editor

Congratulations to Dr Susan Gillard who has taken up a partnership with the Over Surgery. I am sure her patients will be sad at her departure. Ute and I have left the Bar Hill Maple surgery to follow Susan to Over, (10 minutes by car).

I am no longer a member of the Maple Surgery Patient Participation Group and have asked that my name be removed from their website contact list.

Yours faithfully

Michael Boughton-Fox.

Dear BHN Editor

I have read with interest the topic of reducing the speed limit in Bar Hill to 20 MPH, up until now there have been no facts or statistics presented in regards to traffic accidents within Bar Hill. As such I made a freedom of information (FOI) request to the Cambridgeshire County Council in order to obtain the following information. There have been 108 accidents in the last 25 years of which 91 were classified as slight accidents. There were also 134 casualties in the last year of which 113 were classified as slight casualties. Out of a total of 242 traffic incidents there have been no fatal accidents or casualties within the last 25 years. The full FOI response can be found at <http://tinyurl.com/669863b>.

While I agree that one accident is one too many, I can not, based on these figures, equivocally state that reducing car speed and its associated costs would necessarily reduce these already low figures. Which on average represent less than 1 serious accident/casualty a year. I do however support careful and safe driving and suggest that it may be more economical to add a sign at both entrances of Bar Hill's ring road cautioning drivers to drive safely. I believe this could help to reinforce the message to all drivers to drive safely and responsibly around the village.

Regards

Reverend *Anthony William Mitchell*

139 Pheasant Rise

I would like to reassure residents that no approach has been made by the County Council to the Parish Council about changing the speed limits in the village. The Parish Council has not discussed this matter and it has no plans to do so in the foreseeable future.

Residents with opinions on this matter are welcome to reply via the Bar Hill News pages, or to the Clerk of the Parish Council - contact details in the Parish Council's article on page 25.

Bee Nice!

We are all aware that the world's bee population is in serious trouble. If bees die out then we face losing **one third** of our diet because of the effect on our flora and fauna. Beans, fruits, tomatoes and soft fruits are

amongst the many crops reliant on the bee for pollination.

This pollination is worth millions of pounds to our economy, as well as providing the colour to our countryside and being a crucial part of having a rich diversity in wildlife.

The Verona mite is known to be one of the causes, but the bee is also under threat from a kind of 'chemical warfare' with many pesticides such as Bayer's Clothianidin cited as main culprits.

Loss of habitat is another major contributory factor, with changing farming practices reducing hedgerows, meadows and orchards; and minimalist gardening styles further reducing their flowery habitat.

We can all make a difference and help save the bees by ensuring that we provide them with the right plants and flowers. Native wildflowers and cottage garden plants are best, whilst exotics and annuals such as Busy Lizzies and Begonia are the worst.

Below are some examples of bee-friendly plants to have in your garden:

- ✿ Annuals – Borage, Cornflower, Forget-me-Not, Sunflower
- ✿ Biennials – Honeysuckle, Wallflower, Hellebores
- ✿ Bulbs – Alliums, Snowdrops, Hyacinth
- ✿ Vegetables & Herbs – Asparagus, Rosemary, Mint, Thyme
- ✿ Trees & Shrubs – Apple, Blackberry, Heathers, Box, Fuchsia, Lavender, Rock Rose
- ✿ Wild flowers – Cloves, Poppies, Thistles

You could also provide nesting sites such as pollinating bee logs and nesting boxes. If everyone in Bar Hill creates a bee-friendly space in their garden or allotment then we will all be contributing to a mosaic of the flower-rich habitat that bees (and other species) need.

For further information about bee conservation please visit: <http://www.bumblebeeconservation.org>

Dear All

School has finally closed for the summer holiday. As always, we were extremely busy at the end of term with our celebratory concerts, bidding farewell to our Year 6 leavers and preparing our new reception children for

September. The Year 6 pupils also organised a French Café as part of the modern foreign languages curriculum and fundraised for several very worthwhile charities. We held a special assembly for Mrs Worth and said goodbye to two temporary members of staff; Mr Adam Edwards (Year 5 teacher) and Mrs Beverley Arnold (Teaching Assistant).

As a school we celebrated our good Year 6 SAT's results and will be giving our parents further details of our results in September. However, we got 100% Level 4 and above in reading, which is an excellent result and I truly believe that our local library and their staff have played an enormous part in helping us achieve this result.

At the end of term the library held a special reading challenge for our children to do over the summer holidays. If your child hasn't participated in this it isn't too late to join in!

Finally, we welcome Mr David Hawkins, Mr David Hunns and Mrs Anna Flack to our staff who will be teaching in Infants, Uppers and Middles respectively.

On behalf of all our children, staff and governors I would like to thank you for your continuing support for our school in the community.

Kind Regards

Lin Whyte and staff.

Open Gardens 2011

Bar Hill's sixth Open Gardens event was held on 26 June. Visitors were welcomed at eight village gardens, four of which had not been opened before. All were in top condition and the hosts had put in much time and effort so that they were at their best. The event was much appreciated by those who took the opportunity to find out what lies behind the village's walls and fences. They discovered that each open garden is truly individual, and took the opportunity to get ideas for their own gardens, to relax for a while, to enjoy the sunshine and to have their tea in the company of new and old friends.

Thank you to all who took part, whether as a host, a helper or a visitor. All proceeds were for charity, and about £260 was raised for Botton Village in north Yorkshire, a community run by the Camphill Village Trust. It provides homes and work for adults who need support.

SWAVESEY MUSIC SCHOOL

... is moving into its third year with growing student and staff numbers, a successful concert with the Britten Sinfonia and a South Cambs Art Award. So, for those of you who don't know what we do, here is a brief overview:

Swavesey Music School meets every Saturday morning during term time to provide choral, theory and instrumental opportunities for children in the local and wider communities.

Our new group, launched in January, is 'Rock School', for all those budding Jack Black wannabes, guitar heroes and drum enthusiasts. Run by Fil and Nick, the current gang have formed a band (nominally named 'The Noodlers' but we're working on this...) that has played Mayfest and will be popping up over the summer performing acoustic gigs at various village festivals.

Why not pop in one Saturday and see what we do! Visitors are always welcome.

BAR HILL COLTS F.C.

Hey - I'm back - but only for a short time only before I go back to University. The Club does

need someone to take over this page, so if you are interested please contact our Secretary, Paul Neal on 01954 204801.

It is good for me to catch up on all the activities and performances over the last season and I hope the next season will be as enjoyable.

So what happens during the summer months after the football season has finished well

RANGERS CONQUERED BY SPITFIRES

For once, the all-conquering Rangers (U15's) met their match when challenged by the Spitfires (U15 girls) at paintballing, when nearly 40 participants took to Thetford Forest. After 2 games the girls were leading the boys 2-0, could this winning streak continue?? It turns out that it could and the final score was Girls team ??- boys team 0.

I was unable to attend this very competitive event, however speaking to the girls afterwards I was informed that the best team won convincingly on the day. With both managers also competing in support of their team, it seemed a brilliant way to end the season. Everyone thoroughly enjoyed themselves, even though most came home with a bruise or two.

With the Spitfires deciding to continue into Under 16s next season, maybe next year the boys could challenge them to a re-match??!

UNDER 13 BOMBERS

Similarly, the U13 boys also took to the battlefields in Hertfordshire where they were put in two teams and fought out battles in dense woodland with laser guns.

In addition, some of the team travelled to the Grassroots festival in Birmingham over the 4/5 June and thoroughly enjoyed the day and some

having photos taken with well-known players. Does anyone recognise the player being photographed with ex Cambridge United legend, Dion Dublin?

ROCKETS JOIN UNDER 13's AT ST MARY'S

Our Chairman, Jairo Marin, arranged for our teams tickets to be available for an Under 21 International against Norway in Southampton on 5 June.

A coach load of players and parents from the U8s and U13's left Bar Hill early on Sunday morning for an afternoon kick off. Despite the long journey everyone arrived safely to enjoy the match which England won 2 - 0 with goals from Daniel Sturridge and Danny Rose - household names in the future?

After a great game, and the long journey home, everyone was tired but really enjoyed the experience. Thanks to Phil O'Neill and Rob Humphreys for their support on the day.

THE ALL STARS

Our under 12 girls team spent a very wet and miserable day at a tournament in June and there was some great performances from both teams.

The B team really played well together drawing 3 games which earned them 3 points and the A team reached the final only losing by 1 goal to Wisbech St Mary - a very strong and experienced team.

The girls had a great time and played some fantastic football with a very sporting attitude, they have come a very long way in the past 2 years.

The parents also did well braving the very wet and miserable weather.

THE SEASON AHEAD

Players are already signing up for next season and if you would like to be part of any of our teams, please contact any of the appropriate managers

FRIENDS OF BAR HILL LIBRARY

Future of our Library

It's a year since Cambridgeshire's Library and Information Service started planning for how to maintain the service under the drastic budgetary restraints. What have you done to show that you value your Library? The review showed it to be well used, so please do all you can to keep that up. Here are some of the ways to do that:

- ◆ Borrow books (you can order ones not in stock free of charge).
- ◆ Use the computers (with free access to some pay-for sites)
- ◆ Come to events in the Library.
- ◆ Join the Friends.

Coffee in the Library

The Friends do not take a holiday during the summer. The August coffee morning will be on 4 August, from 10 am, and the one after that will be on 1 September. Library users are now used to this lively social event going on while they choose their books, and increasing numbers are joining in. Why not come along yourself?

Fete

Thank you to those who supported our stall at the village fete. We hope you enjoy reading your bargain books. It was good to be part of such a successful afternoon.

Care Network's Welcome Home from Hospital

Being discharged from hospital can be a difficult time for some people. After having 24 hour care and all your meals provided it may be a shock going back to what could be a cold house with no food in the fridge. People who have been admitted in an emergency will often find the house just as they left it weeks ago, with food left out and washing up in the sink.

Welcome Home from Hospital (WHfH) has been set up to help people who find themselves in this situation without friends or family to pop in to see if they are ok. Welcome Home is part of Care Network Cambridgeshire (a registered charity) and provides CRB checked and trained volunteers to help patients discharged from hospital who need short term practical and emotional support to settle back home. This is a free service where volunteers help people being discharged from hospital in a variety of ways, by shopping, light housework, calling in to check that they are OK or maybe helping to relieve isolation by sitting and having a chat.

WHfH covers the whole of Cambridgeshire and we need volunteers in **all areas** but particularly those, who live in (or are willing to travel to) Cambridge City, Cambourne, Sawston, and surrounding areas. Huntingdon, St Neots and surrounding villages, Kimbolton, March and Wisbech.

If you would like to volunteer or refer someone to the service, please call:

01223 714433 – for South Cambs and Cambridge City
01354 694413 – for Hunts and Fens.

HAPPY HOURS

Our speaker this month was Lacy Anderson (one of three brothers who once played for Cambridge United) and he spoke on "The History of the Cam".

A very entertaining speech about how all goods were once brought into Cambridge via the river from King's Lynn, hence our quay side, as this was one of the unloading places. The rivers being the "roadways" in the olden days as there were no roads - even the students for the University would come this way. Also, the ferries which I am sure many will remember used to carry people across the river at various places. We put our new bingo machine on trial and enjoyed an afternoon of games. We will be able to make this a more regular feature now, as members seem to enjoy playing.

We ended the month with a raffle for Arthur Rank Hospice - prizes supplied by Phil in memory of Audrey, and raised £100.

Congratulations to the Parish Council in getting the area outside the Office re-landscaped. What a difference it makes and with the Memorial Garden now in full flower, a once dull site is now a real pleasure.

**REPORT BY DISTRICT COUNCILLORS
ROGER HALL AND BUNTY WATERS**

Workshop to help kick-start ideas for Step Up competition. The first of a series of workshops was held on 12th July at South Cambridgeshire Hall to help potential Step Up competition applicants.

After its success last year, South Cambridgeshire District Council's (SCDC) 'Dragons Den' style Step Up competition is back. Designed to promote business start-up creativity and innovation, Step Up encourages local people to take an entrepreneurial step forward to establish new business ideas and initiatives.

The lucky winner will receive around £30,000 worth of business support, including a year of office accommodation and legal, accounting, marketing and public relations support.

To help them, potential entrants are invited to take part in free Business Link workshops that have been designed to help them with their ideas and develop their skills.

Other dates for the workshops taking place at South Cambridgeshire Hall, Cambourne are Wednesday 27 July and Monday 8 August. Register to attend online at www.bookevents.org or by calling 0845 601 1000.

South Cambridgeshire District Council (SCDC) hosted a workshop to give older residents in the district a chance to share their views and air their concerns. Older residents met with Councillors, council officers and partners including Cambridgeshire County Council, NHS Cambridgeshire, Age UK Cambridgeshire and Care Network Cambridgeshire to discuss how more older people can be supported to live at home and enjoy a good quality of life.

Please contact your District Councillors:

Village Fireworks Display To End?

The Residents' Association have been running the fireworks display on November 5th for longer than I can remember and I have been organizing it since 1980. There are houses built on the field where I first saw a display. The Residents' Association no longer has sufficient active members to continue with this public display and they suggest that some other village organisation (or commercial body) considers taking it on. For any group taking this on, the planning for the display will need to begin no later than the end of August. I will, of course, be willing to advise on what needs to be done and when.

If no group is able to take this on there will not be a public fireworks display in Bar Hill this year.

We look forward to meeting you and your child soon. ✓

Good news: crime levels remain low for Bar Hill. I have had a very busy month, dealing with incidents, crime enquiries all over South Cambs due to colleagues been on leave.

Summer holidays are approaching and we do get some reports of children going missing during the holidays, so I have taken the initiative to speak to the children of Bar Hill County Primary Schools on how they can keep themselves safe during the holiday period. The visit was well received.

Going on holiday

Some of you may be going on holiday very soon. Please ensure that you have reminded your friends and neighbours to keep an eye on your property while you are away. Make your home look like someone is living in it. Don't close your curtains in daytime - this shows the house is empty. Use automatic timer-switches to turn your lights on when it goes dark. Avoid discussing holiday plans where strangers may hear details of your absence from home. For more information please contact me, and for those of you going on holiday do have a nice one. I will be doing my best to keep an eye out in the village with the support of my colleagues.

Crime issues

During late evening the trampoline in the preschool yard was damaged. It is thought that the damage has been caused by youths who climbed over the perimeter fence.

I have made enquiries into this particular complaint but have been unable to trace those responsible. Please let me know if you hear about who was responsible or saw anything at the time of the incident that may help to trace those responsible.

A complaint of loud noise and nuisance was reported in Appletrees. Officers dealing with the complaint found teenagers having a noisy party. They were given words of advice and moved on.

There was a report of suspicious activity in The

Spinney. Two men were seen in the location attempting to unlock vehicle doors. Index numbers for the vehicles involved would have ensured crime reports could have been made. This way, our crime scene investigation department would have been notified and consideration given to searching for any fingerprints. If your vehicle was affected, please contact our Police Service Centre on 0345 456 4564 to report it.

I have received some complaints in relation to parking issues in Oatlands Avenue, Pheasant Rise and Appletrees. Please be considerate in the way you park your vehicle and make sure that you don't cause unnecessary obstruction for your neighbours.

Safety speed checks

My speed checks have continued, forming part of an action plan to improve road safety. This month four motorists were caught speeding and have been advised. The reaction from the motorists has been to apologies with an assurance of safer driving in future.

As always, thank you all for your responses and support

Kind Regards

PCSO B. *MANJ*

Maple Surgery News

A team of staff from the Surgery took part in the
recent RACE FOR LIFE event in Cambridge raising
money for Cancer Research UK. It was a very hot day
and team spirit pulled them through this tremendously
exciting event.

If anyone would like to
donate sponsorship to
the cause, please see
Jenny, Deputy Practice
Manager.

We continue to work
closely with our Patient
Participation Group and
are trying to encourage

new people to join! We want to broaden patient
representation. Please help to support your local GP
surgery and consider joining the PPG. Further details
from the Surgery.

If you are unable to attend your appointment
please call the surgery to let us know so that it can
be offered to another patient. Over 60 patients do not
attend each month and don't let us know so we would
be very grateful for a call if you can't make it.

The Practice plans to close for one afternoon per
month for essential staff training. The dates until the
end of this year are displayed in the surgery and
notification will be given for each closure so that
patients are aware of the next planned closure. In
August the surgery will be closed on 16th.

Extended hours! We are delighted to offer appoint-
ments outside of normal surgery times, mainly on
Tuesday mornings from 7 am with a GP or nurse.
These appointments are pre-bookable and are useful
for patients who cannot get to the surgery during
normal working hours. We will continue to monitor
the service to ensure it meets the needs of patients.
Best wishes from all of the Maple Team.

This will keep you up to date on current affairs in the village including meeting minutes and agenda.

Hedging

Due to the current economic climate we have had to make cut backs this year so the Parish Council is asking residents to take a look over their garden fences and if you see any weeds or brambles that need to be cut back. Please help the Parish Council by cutting these back yourselves. Obviously if it's too big a job, then contact me and I will arrange for an inspection with a view to having this done some time during the course of the year.

Lost Items

I still have an i pod in my office waiting for its owner. Also two bikes and a scooter are looking for homes. Please pop in to claim your property otherwise the bikes and scooter will go to good homes. The i pod will go back to Apple to see if the owner can be traced.

Parish Council Meetings

The next monthly Parish Council meeting will be on Thursday 15 September at 7 pm in the Parish Council Office and all members of the public and press are welcome to attend. There is an Open Forum at the start of the meeting for residents to put their views across. Please come along if you have an issue to raise, or if you just want to see what goes on at our meetings.

Office Closure

I shall be on annual leave from 10 to 26 August but the office will be open on Mondays and Wednesdays from 10 to 12 noon during this period. CRICKET CLUB

Steve Holt and Phil Orvis were the key men as Bar Hill picked up a good victory over Witcham. Steve took five wickets and Phil two as Witcham were bowled out for

83. That meant a narrow win for Bar Hill, who had only scored 95 themselves, with Phil hitting the vital runs with 30 not out.

Phil Pelling and Chris Munday both scored 30's against St Ives II, but Bar Hill were only able to take three opposing wickets.

That defeat, plus two others to a strong Histon second team in the past month leave Bar Hill needing to pick up victories in the second half of the season to avoid relegation.

Adam Dean hit 54 as the seconds ran out easy winners over Elsworth II away. Martin Haslop helped with 27 as Bar Hill made 127, before dismissing Elsworth for only 43. Jim Neal took three wickets, and Adam Dean completed a good day with three of his own.

The reverse fixture at Bar Hill was rained off after Elsworth had scored 186 for 8, with Barry Driver taking four wickets and David Fletcher three. The rain came with Bar Hill on 22 without loss in reply.

The seconds were well beaten away to March IV, who proved a very good side, but at the time of writing were still on the fringes of the promotion race.

The only friendly played in the last month was at Girton, who ran out convincing winners as Sam Clare hit a hundred against his former team-mates. On the up-side, Tom Page picked up four wickets.

In August, look out for the chairman's challenge, also known as the Wrinklies match against the Sports & Social Club, on the afternoon of Sunday August 7.

Many thanks to all those who helped at our barbecue on fête day, and more importantly many thanks to all those who bought our food. We hope you enjoyed it! Thanks too to the fête committee and residents' association, who ensured it was another great day for the village.

The club is looking at setting up an under-11 or under-12 team for next season and has held some coaching sessions after school. These have now ended, but we may be continuing to have some sessions on the village green throughout the summer. Please call me on the number below for more information. Any sessions we run will be free of charge and run by qualified coaches. All equipment will be provided.

Details of all club activities can be found on our website at www.barhillcricket.org.uk, or call me on the number below.

Upcoming fixtures:

- Sun August 7: Chairman's challenge (friendly)
- Sat August 13: Littleport (first XI, league)
- Sat August 20: Old Leysians (first XI, league)

We have two settings in the village located at the Village Hall Centre and Church Centre. Both Pre School settings have bright and airy rooms, both gardens are fully secure and enclosed. We provide safe, secure, independent learning environments for children aged 2-5 years.

Our ethos is to ensure a high quality of care and education by focussing on each individual child's ability, interests and we encourage their development throughout the Early Years Foundation stage.

Our key person and buddy system enables our Early Years team to meet the needs of individuals through planning child focussed next steps.

We have a snack bar where all children in turn prepare a variety of healthy balanced foods for themselves and peers twice a day.

Snack times help children to develop independence through preparing, making choices, serving food and refreshments.

We pride ourselves in providing outstanding Parental/Carer partnership and use communication diaries to encourage working together.

Moving on sessions

These sessions are for children in their final year at Pre School. This is a more structured session preparing children for school entry.

Flexible childcare and Early Years funding

We are registered for and offer 15 hours free flexible childcare for the term after a child's 3rd birthday.

Play Tots sessions

These are held in both settings for Parents/Carers and children up to 5 years old including babies. We have lots of fun and have a large selection of indoor/outdoor activities including our soft play den and toys especially for the tots.

Sessions are held on a pay as you play basis. Drinks and healthy snacks are provided.

Thursday 1.15-2.45 Church Centre Setting
